Release of Information.

I hereby permit practice/clinic and the physicians or other health professionals involved in the inpatient or outpatient care to release healthcare information for purposes of treatment, payment, or healthcare operations.

- Healthcare information regarding a prior service(s) at other HCA affiliated providers may be made available to subsequent HCA-affiliated providers to coordinate care. Healthcare information may be released to any person or entity liable for payment on the Patient's behalf in order to verify coverage or payment questions, or for any other purpose related to benefit payment. Healthcare information may also be released to my employer's designee when the services delivered are related to a claim under worker's compensation.
- If I am covered by Medicare or Medicaid, I authorize the release of healthcare information to the Social Security Administration or its intermediaries or carriers for payment of a Medicare claim or to the appropriate state agency for payment of a Medicaid claim. This information may include, without limitation, history and physical, emergency records, laboratory reports, operative reports, physician progress notes, nurse's notes, consultations, psychological and/or psychiatric reports, drug and alcohol treatment and discharge summary.
- Federal and state laws may permit this facility to participate in organizations with other healthcare providers, insurers, and/or other health care industry participants and their subcontractors in order for these individuals and entities to share my health information with one another to accomplish goals that may include but not be limited to: improving the accuracy and increasing the availability of my health records; decreasing the time needed to access my information; aggregating and comparing my information for quality improvement purposes; and such other purposes as may be permitted by law. I understand that this facility may be a member of one or more such organizations. This consent specifically includes information concerning psychological conditions, psychiatric conditions, intellectual disability conditions, genetic information, chemical dependency conditions and/or infectious diseases including, but not limited to, blood borne diseases, such as HIV and AIDS.

Prescription Order Pick-up. There may be times when you need a friend or family member to pick-up a prescription order (script) from your physician's office. General Consent for Care and Treatment Consent

TO THE PATIENT: You have the right, as a patient, to be informed about your condition and the recommended surgical, medical or diagnostic procedure to be used so that you may make the decision whether or not to undergo any suggested treatment or procedure after knowing the risks and hazards involved. At this point in your care, no specific treatment plan has been recommended. This consent form is simply an effort to obtain your permission to perform the evaluation necessary to identify the appropriate treatment and/or procedure for any identified condition(s).

This consent provides us with your permission to perform reasonable and necessary medical examinations, testing and treatment. By signing below, you are indicating that (1) you intend that this consent is continuing in nature even after a specific diagnosis has been made and treatment recommended; and (2) you consent to treatment at this office or any other satellite office under common ownership. The consent will remain fully effective until it is revoked in writing. You have the right at any time to discontinue services.

You have the right to discuss the treatment plan with your physician about the purpose, potential risks and benefits of any test ordered for you. If you have any concerns regarding any test or treatment recommend by your health care provider, we encourage you to ask questions.

I voluntarily request a physician, and/or mid level provider (Nurse Practitioner, Physician Assistant, or Clinical Nurse Specialist), and other health care providers or the designees as deemed necessary, to perform reasonable and necessary medical examination, testing and treatment for the condition which has brought me to seek care at this practice. I understand that if additional testing, invasive or interventional procedures are recommended, I will be asked to read and sign additional consent forms prior to the test(s) or procedure(s).

I certify that I have read and fully understand the above statements and consent fully and voluntarily to its contents.
